A Musical Gift - The Perfect Present

For a friend or relative in care, it can be difficult to know what to give as a present for a birthday, anniversary or a special occasion. Music in Hospitals has the answer! A Musical Gift can be given to anyone in long term care, anywhere in Scotland.

For a minimum donation of £150, which could be shared between a family or friends, we can arrange for a live concert to take place at any suitable time.

Whether your friend or relative prefers opera classics, songs from the shows, Scottish favourites or would like a bit of everything, we can tailor a programme to suit them and the occasion.

Please contact us by phone or e-mail to find out more about how to make arrangements.

Concerts are arranged about a month in advance so please let us know of any Perfect Present plans as early on as possible.

Some comments made after a concert given to a couple celebrating their 65th wedding anniversary at Braeside House in Edinburgh.

The group was brilliant, allowing the audience to join in fully – congratulating Nan and Archie on their 65th wedding anniversary and playing a special waltz for them to dance to. “What a great afternoon – wish it didn’t have to end.”
